Лекция Леонида Круглова, действительного члена РГО, путешественника-исследователя, режиссера-документалиста. Также в лекции примет участие потомок Ивана Крузенштерна - Алексей Крузенштерн, издатель книги о всех русских кругосветных путешествиях (<http://www.yamal-spb.ru/2/news/1611>) Эта лекция - о романтике великих открытий, о прекрасных героях, которыми грезят наши дети, о величии духа и красоте мечты. Уже минуло более 200 лет с момента начала первого русского кругосветного плавания. А история этой экспедиции по-прежнему изобилует «белыми пятнами», неоднозначными событиями и интригующими происшествиями. Поэтому каждая новая находка документов, имеющих к ней отношение, вызывает огромный интерес как у специалистов, так и у любителей отечественной истории. В архивах были обнаружены важные материалы, проливающие свет на некоторые обстоятельства плавания. Опираясь на эти совершенно уникальные данные исследователь-путешественник Леонид Круглов отправился в кругосветное путешествие на легендарном паруснике «Седов» по следам первой русской кругосветки - чтобы полностью реконструировать весь ход событий и снять об этом документальный фильм. Итог этих исследований, уникальные находки и исторические параллели с сегодняшней ситуацией в мире и России - в лекции Леонида Круглова. Лекция сопровождается фото и видео материалами автора. Леонид Круглов (ЖУРНАЛ РИДЕРЗ ДАЙДЖЕСТ) Этот человек не ездит на работу на метро или машине. Он часто оказывается там, где нет дорог и никогда не будет метро. За двадцать лет он объездил весь мир. Он бывал в таких уголках планеты, где мы не будем никогда. Его приговаривали к смерти жестокие племенные вожди в Африке. Он общался с людьми, живущими на деревьях в Папуа - Новой Гвинее. С шаманами на Таймыре и в джунглях Амазонки. Ходил тропами уссурийских тигров на Дальнем Востоке. А совсем недавно принял участие в кругосветке на самом большом в мире паруснике. Его зовут Леонид Круглов. Он - историк, этнограф, режиссер ( автор документального сериала на Первом канале «По следам великих русских путешественников») и, самое главное, прирожденный путешественник.

20 декабря 2014 г. по 15 февраля 2015 г. 19 декабря 2014 г. в Школе акварели Сергея Андрияки состоится торжественное открытие выставки «Мир детства XVIII - XXI веков». На выставке будет представлено более ста экспонатов из московских музеев и частных коллекций, а также работы художников-преподавателей Школы акварели. Зрители увидят редкие экспонаты из «Русского национального музея», из «Музея В.А. Тропинина и московских художников его времени», а также раритеты из коллекций историка искусства С.А. Подстанецкого и художника-педагога Школы акварели Е.М. Лукьяновой. Для многих посетителей выставки станет настоящим открытием знакомство с экспонатами Сергиево-Посадского «Художественно-педагогического музея игрушки» и фрагменты выставки «Серебряный век русского фантика», любезно предоставленные журналом «Тара и упаковка» и Музеем упаковки. Тема детства в искусстве неувядаема. Детские портреты всегда вызывали эмоционально-обостренное восприятие, так как связаны с воспоминаниями детства. Образы детей привлекали как знаменитых мастеров портретной живописи: Боровиковского В.Л., Соколова П.Ф., Гау В.И., Брюллова А.П., так и малоизвестных живописцев. В экспозицию войдут все разновидности портретного жанра: от малоформатных акварелей до многофигурных композиций с пейзажем и натюрмортом. Экспозиция живописи расширяется подлинными старинными игрушками и погружает зрителя в уютную атмосферу «детской»: куклы, пушки, сабли и даже действующая модель императорского поезда. Упаковки конфет, этикетки, рекламные плакаты и другая атрибутика известных российских производителей кондитерских изделий конца XIX начала XX века – наполняют выставку ароматом праздника. В рамках выставки педагоги школы будут давать пробные уроки и мастер классы с новогодней тематикой. Выставка будет работать и все новогодние праздники и станет настоящим подарком из детства! Торжественное открытие выставки состоится 19 декабря 2014 года в 17.00 в МВК Школы акварели Сергея Андрияки по адресу: Гороховский пер., 17 (станция метро Курская). Внимание: Вход строго по пригласительным билетам! Аккредитация и заказ билетов по тел. (495) 632-18-17 (доб. 120).
